MEMORANDUM FOR DISTRIBUTION

SUBJECT: Class Deviation – Federal Acquisition Regulation (FAR) Clause 52.204-11,
American Recovery and Reinvestment Act – Reporting Requirements

By attached memorandum dated July 10, 2009, the Director of Defense Procurement and Acquisition Policy authorized a class deviation from the reporting requirements of the clause at FAR 52.204-11, American Recovery and Reinvestment Act – Reporting Requirements. Contractors are not required to report information using the online reporting tool available at www.FederalReporting.gov on July 10, 2009. The Office of Management and Budget has provided notification that the online recipient reporting tool is expected to be available for the quarterly report due October 10, 2009. Although contractors are not required to report on July 10, 2009, those contractors who submitted an invoice prior to June 30, 2009 for Recovery Act funded contracts should maintain the data required by FAR 52.204-11.

The deviation is effective until revisions are made to the FAR. It is requested that the attached memorandum be forwarded to appropriate contracting personnel. My point of contact for this matter is Mr. Clarence Belton, clarence.belton@navy.mil, (703) 693-4006.

SUBJECT: Class Deviation - Federal Acquisition Regulation (FAR) Clause 52.204-11,
American Recovery and Reinvestment Act - Reporting Requirements

Effective immediately, DoD Components are authorized to deviate from FAR 52.204-11, American Recovery and Reinvestment Act—Reporting Requirements, for the purpose of reporting information, using the online reporting tool available at www.FederalReporting.gov, no later than July 10, 2009. The Office of Management and Budget has posted an announcement at www.FederalReporting.gov notifying Federal contractors that the online recipient reporting tool is expected to be available for the quarterly report due October 10, 2009. Federal contractors are not required to report information on July 10, 2009. However, Federal contractors who submit an invoice prior to June 30, 2009, for Recovery Act funded contract performance should maintain the data required by FAR 52.204-11.

The delay in the reporting date is necessary while the reporting tool is under development. This deviation is effective until changes are made to the FAR. Our point of contact is Mr. Julian Thrash at either 703-602-0310 or email at julian.thrash@osd.mil.
